ABOUT THE PROGRAM

FMI Leadership Institute is a tightly structured, three- or four-day program in which industry professionals examine themselves and their organizations through a variety of hands-on, interactive experiences. Attendees will receive:

- Personal assessments and individual development
- Experiential leadership opportunities
- Small-group construction company simulations
- Lessons on giving and receiving effective feedback
- Essentials of leadership for the future of the construction and design industry

DEVELOPED FOR

- Contractors and subcontractors
- Architects, engineers and owners
- CEOs, COOs and CFOs
- Vice presidents
- Regional managers
- Operations managers
- Human resource managers
- Equipment managers
- Project managers
- Superintendents
- Executives or managers interested in personal leadership growth

BENEFITS

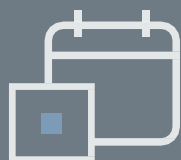

For more than 70 years, FMI has served the built environment as a trusted advisor. Complexity and change are constant challenges in today's environment. Now, more than ever, your company needs strong, effective leaders. You need the skills, self-awareness and ability to build trust and respect from your team.

Organizational

- Reduce business risk by building a deep pipeline of leaders.
- Enhance your ability to execute strategic growth initiatives.
- Increase engagement and organizational loyalty.
- Develop the capacity for your organization's leaders to step into roles of greater responsibility and impact.
- Equip your organization with the leadership talent needed to make the right strategic moves in a changing economy.

Individual

- Learn how you can reach your peak potential as a leader.
- Gain a deep understanding of your leadership strengths and opportunities for growth through aptitude, personality and 360-degree feedback assessments.
- Obtain a clearer understanding of your leadership effectiveness through peer and staff coaching.
- Develop a personal plan of action to improve your leadership performance.
- Advance your professional development through continuing education credits.
